COVID-19

We are thankful that we are able to have some in person services again. Many of our regular ministries are on hold, but the church—God's people carry on. We will continue to worship, to serve, and to live for Christ. We pray that God will guide us as we move toward reopening additional ministries in the coming days. A link to our livestream worship service is on our website.

PRAYER FOCUS

If you have a prayer request to share with the church, please contact Betty Fritzke @ 306-621-3166 or email: blf2007sk@gmail.com.

Praise God for:

- * The body and the blood.
- * Our salvation in Christ.
- * The lessons He continues to teach us.

Pray for:

- * A safe and good return to school for our students and teachers on Tuesday.
- * God's protection and His blessing for our daily needs.
- * God's guidance for Christian churches as they minister amid the restrictions we currently have.
- * Pray that solutions would be found to help deal with COVID-19.
- * Pray that people who are discouraged would reach out to God and the help that is found in God's family.
- * People who need to walk in obedience to God.
- * God's leading as to how you may serve Him this fall.

Ministry/Church of the week: Balgonie Baptist.

Pastor Shawn & Val Cavers.

We are grateful to those who put the time and effort into our Vacation Bible School again this year. We were able to physically distance and meet in cluster groups and still effectively teach the word of God. We believe lives were eternally changed. Our renovations are progressing with the exterior of the church finished and the interior just about there. We will have a dedication (lighting) service September 13. Even though summer is over there is excitement about beginning our fall programs again.

This Sunday:

We are celebrating the Lord's Supper together. Please pick up your pre-packaged communion elements as you are entering the sanctuary and dispose of them in the garbage receptacle in the foyer on your way out. If you are joining us via the livestream please prepare your own elements at home so that you are ready to participate with us.

Worship Together

This Sunday we will have a YouTube Livestream of our Sunday Service. We are thankful that some of you are able to join us here in person at the church for the service.

A "Worship Together" link is posted to our website explaining the details and requirements for attending a service here at the church. Please note that preregistration will be required due to space limitations. Someone is usually in the church office Tuesday to Friday mornings. We would ask that you pre-register by e-mail or phone before Thursday noon each week.

For those uncomfortable or unable to attend at this time, online services will be available to view on our YouTube channel. After the service is over a copy of the service will be available to view at any time.

Please Note:

Our worship services will continue to start at 10:30 am for the foreseeable future. We encourage people to come early so that our ushers have time to seat everyone before the service begins.
